PROPOSITION 1

Prop 1 is absolutely essential to address California's severe housing crisis.

Veterans, working families, people experiencing homelessness, seniors, people with disabilities, women escaping domestic violence and many others are struggling to afford the cost of housing.

Veterans who return home after serving our country can't find a place they can afford to live.

Hardworking people like nursing aides and grocery clerks, and older retirees on fixed incomes, struggle each month to stay in their homes.

We simply must add more safe, affordable housing for these Californians – and that's what Prop 1 will do.

Yes on Prop 1 will Add Safe, Affordable Housing – Without Raising Taxes

Don't be misled. Prop 1 is not a property tax.

\$1 billion of Prop 1 is dedicated to affordable home loans for veterans and their families, which they will repay over time. The remainder of Prop 1 will be covered by existing state funds.

PROPOSITION 1

Prop 1 will allow California to leverage federal housing funds: nearly \$3 to match every dollar we invest from Prop 1.

Prop 1 Will Build Homes and Save Lives

California is home to nearly a quarter of the nation's total homeless population, and the highest numbers of veterans and youth facing homelessness alone. We can do better.

Prop 1 will help alleviate the crisis of homelessness and will honor our veterans with access to safe, affordable homes.

Vote Yes on Prop 1 to address California's extreme housing crisis, and help ensure a safe, affordable home is within reach for all Californians.
